Mr. Harold Weisberg
313 "H" Street, S.W.
Washington, D.C.

Dear Harold:

I am enclosing three copies of that letter on Kramer. The background of this letter, as you know, is as follows: it was sent to the "Los Angeles Times" during the 1936 campaign, and, for some reason, was yanked after achieving a certain "inside fame".

Please let me know at once about the mechanics of sending a letter to my man in Chile via the means we discussed with Mr. McNulty. I have got to get word to him fast since I want to use the story in the next issue.

Take care of your sinuses, measles, gout, etc.

Regards,

Allan Chase
